

# CommuniFire Executive Sponsorship Checklist

Before you go into that meeting with your boss to pitch your brilliant idea to implement an intranet solution for your team or company, print this out.

Consider each of these five points, and flesh out the ones you know will help you make your case.

Use this as a guideline for your discussion. Hit the most important points and skip the others. Or hit every point for an open-and-shut case for sign-off on your intranet.

# Intranet Software

## About Axero

Axero is the leading provider of social intranet software for small and medium sized businesses. Our product, Communifire, is a central, instantly searchable hub for your teams, conversations, and documents.

Today, Communifire powers social intranets, collaboration spaces, knowledge management, and internal social networking. Our estimated user base is over two million people. You might have even heard of some of our customers, like Toyota, Hyundai, Bravo, Schneider Electric, TED, About.com, and USA State and local governments.

Replace your outdated, socially challenged intranet software with Communifire, the intranet solution for teams that love intranets. 100% useful. 100% customizable. 100% loved by over 4 million people.
